

PATRICIO MANAYAN JR.

WEB DEVELOPER | FRONT-END DEVELOPER

PROFESSIONAL EXPERIENCE

AD-IOS Digital Marketing Co. (Part-time)

Front-End Developer

Oct 2025 – Sept 2026 • Remote

- Engineered and maintained responsive WordPress websites using Divi, Elementor, HTML, CSS, JavaScript, and PHP for a variety of client industries.
- Developed reusable front-end components, custom layouts, and interactive features to improve development efficiency and maintain design consistency.
- Led front-end troubleshooting for responsive behavior, layout conflicts, accessibility issues, performance bottlenecks, and cross-device inconsistencies.
- Implemented technical optimizations to improve page speed, Core Web Vitals, accessibility, and overall user experience.
- Worked closely with project management, SEO, development, and client-facing teams to translate requirements into functional, polished website solutions.
- Performed QA, maintenance, and ongoing website enhancements while managing revisions across multiple active client projects.

ePerformax Contact Centers (Full-time)

Customer Service Representative

Sep 2024 – Jul 2025 • Onsite

- Provided professional customer support by addressing account, service, billing, and product-related inquiries while delivering clear and accurate information.
- Investigated customer concerns, identified appropriate solutions, and guided customers through resolution while following established policies and support procedures.
- Managed customer interactions in a fast-paced, high-volume environment while maintaining accuracy, professionalism, and attention to detail.
- Documented customer interactions, resolutions, and relevant account information to maintain accurate records and support efficient follow-up.
- Applied strong communication, active listening, and problem-solving skills to understand customer needs, de-escalate concerns, and create a positive service experience.
- Collaborated with team members and support departments to resolve complex issues and ensure customer concerns were appropriately addressed.
